A NOTE FROM THE DIRECTOR OF ICCAN...

Howdy folks.....summer is here and it's starting out to be a hot one. I pray this finds all the ICCAN family doing great!

We continue to be amazed at all that God is doing at ICCAN. Things are really happening.....fast. Sometimes so fast that it's almost overwhelming but we praise God for the challenge. We are spreading out all over the U.S. and other countries. Pastor Mike Blankenship has been on the road meeting our churches and members face to face with great results. (See article below from Bro Mike in this issue about the exciting news of the membership and church charter growth of ICCAN)

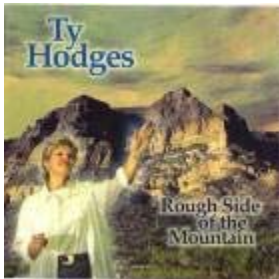

One thing I would like to share with you folks is some of you have spoken with us over this past year about things you would like to see happen at ICCAN. You folks have had some great ideas and we certainly appreciate all the input. It means so much to us knowing that you care and want to see ICCAN grow for the Kingdom of God. Please keep those ideas, prayers and communication coming. This is your network/fellowship. But please also understand that we are doing all we can as fast as we can. Don't think we have forgotten about your input. It just takes time, man power and finances as we move forward. You guys are the best and I am so proud to serve our Lord right alongside of each of you.

I look forward to meeting many of you personally in the near future. Remember we are here for you and we pray that we can be a helping hand to your ministry.

Blessings to you all as we continue down HIS trail!
Rocky Morris
ICCAN Director

ICCAN MINISTERIAL & CHURCH FELLOWSHIP IS GROWING!

by Pastor Mike Blankenship
ICCAN Nation Territorial Director

What an incredible season for ICCAN. Over the past two months I have had the pleasure of meeting with some of our newest leaders and ordaining five new ICCAN ministers. Our focus is to grow the ministerial fellowship of ICCAN into a mighty force in The Kingdom of God.

On April 22, 2012 I had the pleasure of being with **Pastor Lynn Walker of The Cowboy Country Church Of Chickasha, Oklahoma**. We had a powerful time of ministry. The praise and worship was over the top. Pastor Lynn was ordained and set in as the Territorial Director for the state of Oklahoma. (see photo below) Cowboy Country Church is now an ICCAN affiliated church. We are so proud to have Pastor Lynn as an ICCAN leader. I was blessed to see the way the people of Chickasha embraced Pastor Lynn.

On APRIL 28-29, 2012 I had the pleasure of being with **Pastor (Boots) Martz of the Bar-None Cowboy Church of Clarion, Pennsylvania and the Glory Way Trail Cowboy Church of Union City, Pennsylvania**. This was a fantastic time of fellowship and ministry. Pastor Boots Martz oversees both churches as Senior Pastor. This area has the potential for tremendous growth. The enthusiasm of the people was something to behold. Both of these churches are in the process of becoming ICCAN affiliated ministries. We are honored to be a part of what God is doing in the state of Pennsylvania.

On May 6, 2012 I had pleasure of being with the leadership and church body of the **Wabash Valley Cowboy Church of Terre Haute, Indiana**. What an event. This was their grand opening

service. There were over 200 in attendance. Betty Blankenship coordinated the event and I must say she did a splendid job. Local dignitaries including the mayor of Terre Haute attended. The American Legion performed a special 21 gun salute in honor of our great service men and women. Part of the service was covered by local television as well. I had the privilege of ordaining four new ICCAN ministers during this service. Pastor (Bud) Hoard, Rev. Betty Blankenship, Rev. Neisha Rickey and Rev. Mike Shinn. It is a pleasure to welcome all of these new ministers into the ICCAN Ministerial Fellowship

On May 20, 2012 I had opportunity to minister with **Pastor Lynn Kirkland at the Hippodrome Arena in North Augusta, South Carolina.** We had a great Cowboy Church Service during the American Ranch Horse Association show. The music was fantastic the message was moving and lives were changed. We anticipate great growth in the South Carolina, Georgia area.

The ICCAN Ministerial Fellowship is growing fast. I want to encourage you to get involved. I think most of you will agree that the time of Christ return is near. We have allot of work to do. Souls hang in the balance. The Task Is Huge, The Work Is Hard, The Rewards Are Eternal!
